II. *At the School Level*

(i) Examination reforms should enhance the validity and reliability of assessment and examinations should become a powerful tool of improvement in teaching-learning.

(ii) Designing examination reforms in their totality taking into consideration different stages of education.

(iii) No Detention Policy and No Public Examination up to Class VIII.

(iv) De-emphasising Board or Terminal Examinations and increased emphasis on comprehensive continuous evaluation.

(v) Including non-scholastic areas in the assessment through comprehensive continuous evaluation.

(vi) Improvements in the conduct of external examination to increase objectivity and fairness.

(vii) Substituting marks by grades in the results of examinations and introduction of semester system.

(viii) Opportunity for clearing examinations in parts and for improving one's grades in subsequent attempts.

(ix) Staring National Testing Service on voluntary basis at the end of school stage.

National Mission on Immunisation

*113. KUMARI SUSHILA TIRIA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have formulated any plan for the implementation of National Mission on immunisation; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) Yes, Sir.

(b) National Mission on Immunisation seeks to reduce morbidity and mortality among infants by providing them protection against vaccine preventable diseases like Tetanus, Diptheria, Pertussis, Tuberculosis, Measles and Poliomyelitis. It also aims to provide protection to pregnant women against Tetanus. All Districts will be covered in phases by 1990.

Short Supply of medicines in C.G.H.S. Dispensaries in Delhi

*114. SHRI B. L. PANWAR: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that for the last many months most of the Unani medicines like Khamiras, Cough and other syrups, tonics and pain-relfeving oils like Rogan Phosphorus etc. are not available in the C.G.H.S. Unani dispensaries in Delhi|New Delhi, particularly at the Sarojini Nagar, Unani Dispensary, causing hardship to the beneficiaries;

(b) if so, the details thereof and how much time is likely to be taken in ensuring regular supply of these medicines;

(c) whether there is any system of allowing local purchase|indenting of such essential Unani Medicines which are out of stock as in the case of Allopathic medicines, if not, what are the reasons therefor;

(d) whether Government intend to purchase medicines from reputed manufacturers for their purity, effectiveness and efficacy; and

(e) what is the criteria adopted by the Government for determining the purity and effectiveness of the Unani medicines?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) to (e) CGHS is aware of the temporary shortage of few Unani Medicines such as Khamiras, Pain relieving oils like Rogan Phosphorus etc. in C.G.H.S. Dispensaries|Units. The

details of such medicines are as indicat ed below:—

Sl. No.	Name of medicines	Date from which the medicines were not available	are available
1.	Khamira Abresham	22.5.88	29.7.88
2.	Khamira Abresham Arshadwala	28.7.88	29.7.88
3.	Khamira Gaos. ud Saleebwala	17.6.88	29.7.88
4.	Khamira Marwarid	12.6.88	not yet available
5.	Khamira Nuqra	24.4.88	28.7.88
6.	Rogan Phosphorous	30.4.88	29.7.88

There was no shortage of cough syrup durng the year. Khamira Gaozabam Jawaharwala is a newly introduced item included in the C.G.H.S. formulary for the year 1988-89. The rate contract for this item has been finalized and further action for procuring this item is in progress.

No system of local purchase|indenting of non-available Unani medicines from Super Bazar is in vogue as the Super Bazar does not stock Unani medicines. However, an amount of Rs. 150|- has been placed at the disposal of M.O. Incharge of Unani dispensary for arranging the supply of non-available Unani medicines which is considered essential.

As per policy of the Government all Unani medicines are procured from Indian Medicines Pharmaceutical Corporation Limited a Government of India Undertaking. However, medicines included in the C.G.H.S. unani formulary and not manufactured by IMPCL are purchased from firms registered under C.G.H.S. by concluding the rate contract. There is no standardization of Pharmacopeia for Unani Medicines so far and as such traditional methods of Physical examination of medicines by smell, colour and consistency etc. are used by experienced Physicians for selection of Unani medicines. However in case of any doubt, the particular ingredient of a drug are got tested from C.I.P.L. Ghaziabad.

Integrated Cargo Terminals at International Airports

*115. SHRI PARVATHANENI UPENDRA: Will the Minister of CIVIL AVIATION AND TOURISM be pleased to state:

(a) whether Government have decided to set-up integrated cargo terminals at various international airports; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION AND TOURISM (SHRI SHIVRAJ V. PATIL): (a) and (b) I.A.A.I. have already set up Integrated Air Cargo Terminals at the four international Airports. These terminals provide requisite infrastructural facilities for air cargo booking, pre-shipment inspection, certification customs clearance etc. under one roof.

Surplus yoga and physical education teachers in Kendriya Vidyalayas

*116. SHRI ASHOK NATH VERMA:
DR. NAGEN SAIKIA:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) what are the norms for declaring yoga and physical education teachers in Kendriya Vidyalayas surplus;
